

## Workshop 2

Alex Green

## Community Retrofit through Sustainable Technology

Financed by interreg IV-A programme

Partnership between France-England

### Partners

Cambridgeshire  
County Council

Living Labs

Education, skills and  
employment

Community outreach

What have we done in our school that has been successful?

What have we done in our school that has not been successful?

What has been my biggest lesson learned?

What can I learn from others in the group?

1. Start your actions
2. Next workshops
  - Workshop 3: Teaching about sustainability
  - Workshop 4: Whole school approach
3. Contact us or each other if you need help
